DOLLS, PASSION & CREATIVITY

This Pattern is made to be print at 100% on A4 Paper, if you try other print settings, be sure to use the 1cm box as reference for the size !

## COPYRIGHT

This Pattern is offered for free by Narcisse from Niji Kumo.

You can use it for personal purpose and to make wig for your friends and family but not for sale. You can distribute this pattern to your friends and family but without removing any information from this sheet. By doing this you let your friends and family know about me and my creations and this is really cool !

## INSTRUCTIONS

1. Cut the fur by putting the hair in the direction of the arrows.
- For part 3, if you cut the fur in the opposite direction, then the hair will look backwards naturally.
3. Sew parts 1 and 2 from A to B.
4. Take part 3 and sew a small hem along this part (blue line), this hem should be as thin as possible otherwise the front of the wig will be thick and it will not be natural.
5. Sew Part 3 to Parts 1 and 2 starting from D all the way to E. The middle of Part 3 should line up with the seam you made in Step 3 :)
6. **And Voilà !**
